Dear Presiding Judge Honorable Robart;

Please accept this correspondence as a formal inquiry to update the court of changed behavior. Since June of 2011 when I was arrested for Conspiracy to commit murder. Duly note, 'CONSPIRACY' was declared unconstitutional according to the Dimaya ruling of 16(b).

AT SEATTLE
CLERK U.S. DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
DEPUTY

Accordinglky under Title 28 U.S.C. 1746 Penalty of Perjury I, Walli Mujahidh declare that I am highly remorseful for the alleged acts that led to the current period of incarceration. In the 10 years I have served out of 17 I had a chance to learn alot about myself and correct the past thinking errors that plagued myself on the streets.

Notably, I never went forth with the final act of committing the henious crime of murder. As it would have been too much for me to bear. I would not be able to live with myself. My actions were cowardly and not the reactions of a changed man. I beg the court have mercy on my soul and ask the employees at M.E.P.S. Sea-Tac , the country and my family to forgive me.
